The present water supply system for 2 Upper Towns to which Govt have been pleased to make annual grants is a complete system capable of being extended. The extensions of the system to new town extensions and commercial portions of the old town should be taken up solely by the Municipal Govt may retain the 1870 Establishment, Tools & Plant charges as suggested by the Surveyor

Order No L 6530 2/ Rul 143-32-7

Bangalore, dated the 7th April 1933.

In their order No. L. 3555-60/M1. 200-30-8, dated 16th November 1931, Government sanctioned an estimate for Rs. 48,139/- for a scheme of water supply to Tiptur Town and agreed to meet half the cost of the project. A revised estimate for Rs. 46,153-7-0 for the work exclusive of the estimate of Rs. 11,230/- for the distribution scheme, was sanctioned in Government Order No. L. 2103-8/M1. 143-32-2, dated 16th September 1932 The total estimate thus sanctioned amounted to Rs. 57,383-7-0 and Government have so far paid an amount of Rs.17,750/- towards their share of the cost of the scheme leaving a balance of Rs. 10,942/- yet to be paid.

2 The Deputy Commissioner has now forwarded for sanction an estimate for Rs. 12,036/- for a scheme of water supply to Tiptur Town extension, and requested Government to meet half the cost of the estimate Government are pleased to sanction ~~with~~ the estimate with the observation that the schemes of extension of the water supply system to the new town extensions and the unserviced portions of the old town have to be financed by the Municipal Council entirely out of their own funds and that it is not possible for Government to contribute anything more for the water supply scheme of the town They are, however, pleased to waive their claim to the 18% Establishment, tools and plant charges, on the estimate as a special case.
